

GLOBAL JET

LATEST ADDITION IN GLOBAL JET'S CHARTER FLEET – A GULFSTREAM 650

With a unique 15-seat configuration, the Gulfstream 650 offers a refined, peaceful and elegant interior.

The G650 offers a perfect combination of speed and range. It has a range of 7000 nautical miles meaning it can fly non-stop from Los Angeles to London.

Guests will be able to enjoy all the amenities on board with the extra well-being afforded by a low cabin altitude and a 100% fresh, never recirculated cabin air.

The aircraft with its sixteen panoramic oval windows is also one of the quietest business jets in the market.

Guest will be able to enjoy its unique configuration with a 2-seat club opposite a 3-place divan in the forward cabin followed by 2 seats facing the galley. In the mid-cabin, we can find a 4-place dining group opposite a credenza. Passengers will be able to relax in the afterward cabin thanks to its 3-place divan opposite a single seat.
