

Europe Based
GLOBAL 7500
From **GLOBAL JET**

Global Jet is one of the fewest operators to manage a Europe-based Global 7500. The brand new delivered 2021 jet is one of the rare Global 7500 available for charter.

Global Jet is a world leader in private aviation. Founded two decades ago, the Global Jet family has helped countless generations take to the skies with an unrivaled commitment to excellence.

The company is still privately owned by its founders, actively working in the business. Global Jet has a team of around 600 experts spanning 10 offices around the world, all with a unique insight into the world of private aviation and an unwavering eye for safety and details. No matter where you are in the world, a Global Jet specialist will be on hand to offer localized knowledge on everything from chartering and, aircraft management to brokerage and aircraft sales.

The Global Jet managed Global 7500 is designed in four cabin zones providing a maximum level of comfort thanks to Bombardier's latest seat design "The Nuage".

Forward cabin

Club suite with four ergonomic executive seats

Mid cabin

Six seat meeting and dining area

Mid cabin

Entertainment suite with a three-place divan opposite a large TV screen.

Global Jet managed Global 7500 has a distinctive set of advantages and proposes new technologies such as applications to connect and control the entertainment system. Once the application is downloaded, clients can control the lighting, temperature, music, flatscreen TV and 3 monitors of the cabin. Moreover, they will also be able to enjoy a complete range of entertainment features thanks to Bluetooth and will be able to utilize the Ka Broadband high-speed internet system.

Aft cabin

Master suite bedroom where guests will be able to relax and enjoy a proper bed.
