GLOBAL JET ADDS AN EXCLUSIVE BRAND-NEW AIRBUS ACJ319 NEO TO ITS CHARTER FLEET

Global Jet, the leader in private jet charter services, is thrilled to announce the newest addition to its expanding fleet: an Airbus ACJ 319 Neo, fresh off the production line in July 2022. This state-of-the-art aircraft is now ready to provide the highest level of luxury, comfort, and convenience to our customers.

The Airbus ACJ 319 Neo represents the pinnacle of aviation technology and engineering. Its unmatched standards of safety, reliability, and efficiency make it the perfect choice for long-haul travels. With a staggering range of up to 6,000 nautical miles, passengers can easily reach any global destination.

Beyond its superior performance, the ACJ 319 Neo also impresses with its opulent and spacious interior. It comfortably seats 19 passengers, with sleeping arrangements for 12 singles and 2 doubles beds, ensuring a restful journey for both business and leisure travellers. The elegant cabin layout includes a forward galley, a crew area, a forward VIP lavatory, a main lounge, an afterward cabin which can be used as an office, and a master bedroom completed with a private bathroom. High-end amenities are featured throughout, promising a relaxing and lavish environment.

Passengers on board can expect a unique blend of comfort, convenience, and luxury. Whether enjoying gourmet meals in the forward area or unwinding in the plush main lounge, the Airbus ACJ319 Neo redefines the standards of luxury travel.

Adding to the experience, the aircraft is outfitted with advanced technological features. High-speed Ka Band internet allows passengers to stream their favourite shows and movies on Netflix and Apple TV or play personal media on iPads available on board. Bose headsets and USB plus HDMI ports further elevate the in-flight entertainment experience, enabling passengers to connect their personal devices effortlessly.

GLOBAL JET

This custom-made ACJ319 Neo was completed at Jet Aviation Basel in March 2023, reflecting a sleek, modern art deco design. The project, which began in July 2022, highlights Jet Aviation's commitment to delivering top-tier aircraft completion projects.

We are excited to introduce the Airbus ACJ 319 Neo to our fleet and look forward to offering our clients an unrivalled private jet experience. Combining advanced technology, luxurious design, and unmatched performances, we are confident this aircraft will exceed passengers' expectations and create lasting memories.

Bookings for the Airbus ACJ 319 Neo are now open through the Global Jet website or by contacting our Charter Sales Team.
