

GLOBAL JET

GLOBAL JET CONTINUES ITS GROWTH WITH ANOTHER ADDITION TO ITS CHARTER FLEET, A GULFSTREAM 550

With a 23-year legacy of responsible business and well-known reputation regarding safety, security and service, Global Jet is pleased to announce the addition of a Gulfstream 550 to its charter fleet with a base in Paris and capable of welcoming 13 passengers.

The interior of the cabin is divided in three cabin-zones which includes a forward cabin club with four seats and two console tables, a mid-cabin with one dining/conference group area with two double seats and the afterward cabin with one three-place divan opposite a single seat, facing the cockpit. After enjoying a gastronomical dinner on board, customers will be able to take a shower in the afterward lavatory which is a huge plus for this type of aircraft.

Furthermore, travellers will be able to enjoy a complete range of entertainment features as well as four iPads containing videos, press and games. Additionally, the aircraft is equipped with Bose soundproof headsets, and has a Bluetooth connection.

The Gulfstream G550 is very efficient and has a range of 6750 nautical miles and can fly at a speed at Mach 0.80. Thanks to its long-range, passengers will have the possibility to fly directly from Geneva to Los Angeles non-stop. This aircraft is the perfect combination of speed, safety, and maximum comfort.

This aircraft has a great charter availability, call the charter team to book your flight.
