Discover timeless elegance with Blüthner Design Edition Pianos

Enrich your musical journey with Blüthner Design Edition Pianos, where elegance meets unrivalled craftsmanship. Family-owned since 1853, Blüthner have been perfecting the art of piano manufacturing for the last 170 years, marrying contemporary design elements with tradition to create the world's finest instruments.

Blüthner Piano Centre offers unique hand-crafted pianos that will add a note of opulence and sophistication to your space. The Blüthner Crystal Edition Pianos are exquisitely designed masterpieces; their transparent plexiglass

Crystal Edition

cases reveal the intricate inner workings without compromising the warm 'golden tone' synonymous with Blüthner Pianos.

The PH Edition is a uniquely extravagant piano with peerless Blüthner technology at its heart. Designed by Danish lighting visionary Poul Henningsen in 1930, this breathtaking masterpiece still captivates pianists and audiences more than 90 years after its creation.

Innovative aircraft services you can trust

Global Jet are privately owned by their founders and manage private and commercial aircraft for international corporations, financial institutions and high-net-worth individuals. As well as being one of the largest operators in the world, Global Jet also manage one of the most diverse fleets in the world, with more than 35 aircraft types from established manufacturers such as Bombardier, Gulfstream, Dassault, Embraer, Pilatus, Cessna, Airbus and Boeing. They operate under the highest international standards and aviation regulations currently applicable.

Global Jet have more than 600 dedicated employees based across 10 offices around the world, devoted to delivering excellence at every touchpoint for over 23 years.

With a strategic focus on aircraft management: charter and brokerage; sales and acquisitions; and design and completion; the company have established themselves as a reliable and trusted partner in the sector.

Through their aircraft management services, Global Jet ensure seamless operations, optimised costs, the highest levels

of transparency in the industry and enhanced asset values for aircraft owners.

Their charter and brokerage division facilitates tailored private jet charters, offering access to a vast network of operators and aircraft worldwide. In the aircraft sales and acquisitions department, Global Jet provide expert guidance and comprehensive market analysis, assisting clients in acquiring or selling aircrafts. Additionally, their expertise helps streamline the buying process, delivering optimal outcomes for clients.

With these distinct cores, Global Jet continue to drive their growth, meeting diverse client needs while remaining at the forefront of the aviation industry. They specialise in sourcing 'off market' aircraft via their relationship with partners and direct owners across the world.

Furthermore, Global Jet continue to innovate to ensure the highest levels of safety, quality and services for their customers by developing new systems and procedures to be at the cutting edge of technology.

GLOBAL JET

For more information, visit globaljet.aero, contact sales@globaljet.ch or call +41 22 939 30 85 for your charter requests.
