A COMPLETELY REFURBISHED FALCON 2000LX - AVAILABLE FOR CHARTER

A completely refurbished 2020 Falcon 2000LX LX-EVM available for Charter. The aircraft has a base in Geneva which is ideal for last minute gateway.

Designed for 10 passengers, the twin-engine Falcon 2000LX offers a generous 26-foot long cabin with the latest in onboard connectivity. The cabin is divided into two sections enabling passengers to appreciate every second of their flight by working tranquilly in the forward cabin and by savouring a nice meal in the afterward cabin. The aircraft features a one-sided galley and is equipped with one lavatory.

The interior of Falcon 2000LX has been entirely renewed from the carpentry, to new leather seats, to a new carpet. The renovation didn't stop there, a new LED lighting system has been implemented with an innovative entertainment system. Furthermore, The WIFI has had an upgrade - Ka Band WIFI which is one of the fastest WIFI on the market. The exterior of the aircraft was repainted as well. Every inch of the renewed cabin is designed to enhance our guests travel experience and allowing them to enjoy all business tools and communications facilities which will make this jet the perfect travel platform.

With a range of 4,000 nm, this Falcon 2000LX will take passengers across oceans and continents, allowing non-stop flights from New York to London.

Do not miss out chartering this aircraft and book your flight now!
