

GLOBAL JET

SPECTACULAR FALCON 8X AVAILABLE FOR CHARTER

Global Jet kicks off successfully the year 2020 by announcing a new addition to its charter fleet based in Geneva; a brand-new Falcon 8X, latest and newest aircraft in the charter market. A new Falcon that can fly you further in greater comfort, and with even more efficiency.

Above and beyond the competition, the Falcon 8X is a derivative of the successful Falcon 7X trijet. Being the longest cabin in the Falcon family, this exquisite private jet is configured to welcome 14 passengers. Being capable of flying 6'100 nautical miles, the Falcon 8X flies in high altitudes and in high speed.

The cabin is divided into three sections enabling passengers to appreciate every second of their flight by working tranquilly in the forward cabin, by savouring a nice meal in the middle cabin and/or by relaxing on the divan in the afterward cabin. The aircraft features a large one-sided galley opposite a crew rest and is equipped with two lavatories. This private jet is equipped with Falcon Eye – latest technology of infrared camera.

Every inch, every centimetre of the new Falcon 8X is designed to enhance your travel experience. The charming, cosy, longer and more comfortable interior has been designed with taste and will definitely seduce you. This aircraft is one of a kind and will provide an unforgettable journey!
