GLOBAL JET'S LATEST FLEET ADDITION FOR CHARTER - A BRAND NEW 2021 GULFSTREAM 650ER

A brand new 2021 Gulfstream 650ER available for charter joined the fleet. This exquisite private jet based in Europe offers the perfect combination of safety, speed, range and comfort.

The G650ER generation holds the record for the fastest and farthest flight in business aviation. With a range of 7500 nautical miles and a speed at Mach 0.85, the Gulfstream 650ER can fly non-stop from New York to Dubai.

Guests will be able to enjoy a low cabin altitude, a quiet cabin and a 100% fresh, never recirculated cabin air.

This aircraft is designed to provide a distinctive set of advantages. Guests will be able to enjoy a complete range of entertainment features as well as a Ka Broadband high-speed internet system. Sixteen large Gulfstream panoramic windows allow abundant sunlight into the cabin for a spacious and sensational experience on board. The shades of grey in the cabin blend perfectly and provide a modern and elegant allure. Get ready to be seduced and discover flying at its best.
