GLOBAL JET'S ADDS A BRAND-NEW 2023 FALCON 900LX TO THEIR CHARTER FLEET

Global Jet is excited to announce the addition of a brand-new 2023 Falcon 900LX to their charter fleet. This exceptional private jet, based in Europe, provides the ideal blend of safety, speed, range, and comfort for an unparalleled flying experience.

This Falcon 900LX is designed to accommodate up to 14 passengers, featuring a modern, tailored interior that reflects the latest in luxury aviation. Guests will experience the highest level of comfort and style, thanks to unique design elements and an entirely new cabin layout. The cabin is divided into three sections: a forward cabin with a club four seating arrangement, followed by a four-place conference/dining area, and concluding with a rear cabin featuring two three-place divans. The aircraft also includes a forward galley and is equipped with two lavatories.

Experience the latest in cabin connectivity, lighting, and soundproofing technologies with the Falcon 900LX, ensuring an exceptional in-flight experience. Passengers can enjoy a wide array of entertainment options, featuring a high-speed Ka-band broadband internet system, HDMI interfaces, Bluetooth, and Airshow. They can also take advantage of the convenience of 4 iPads, 2 headsets, and video monitors, all designed to elevate comfort and entertainment throughout the flight.

On the performance side, the Falcon 900LX excels with its short-field capabilities, ensuring quick take-offs and landings, even on smaller airports such as Lugano.
