GLOBAL JET' S ADDS A BEAUTIFUL FALCON 900LX TO THEIR CHARTER FLEET

Global Jet is excited to introduce a 2020 Dassault Falcon 900LX to its charter fleet, a standout addition that combines luxury, efficiency, and unparalleled performance, now available for service from its base in Paris.

Designed for 12 passengers, the three-engine Falcon 900LX offers a spacious 33-foot-long cabin with state-of-the-art onboard connectivity. The cabin is divided into three sections, allowing passengers to make the most of their flight by working in peace in the forward cabin, enjoying a meal in the mid-cabin, and relaxing in the aft cabin. The aircraft features a forward galley and is equipped with two lavatories. The Falcon 900LX's modern interior is meticulously designed to ensure passengers enjoy their journey to the fullest, offering the quietest cabin experience in its series thanks to advanced soundproofing. The cabin design is both beautiful and functional, featuring elegant furnishings, intuitive controls, and plenty of natural light.

The Falcon 900LX is powered by three engines known for their efficiency and quiet operation, making each flight a serene experience. Its advanced cockpit design and responsive controls enhance both safety and comfort, proving that the 900LX is not only luxurious but also delivers a superior flying experience.

What sets this aircraft apart is its flexible flight capability. It can easily switch from short city hops to long transatlantic crossings without needing to refuel, saving time and reducing costs.
