

Introducing the Refurbished Bombardier Global XRS LX-ZIO

FRESH NEW LOOK, SAME EXCELLENCE

Bombardier Global XRS

December 2025

The Bombardier Global XRS LX-ZIO sets a new benchmark in private aviation with its recent impeccably executed full refurbishment. This elegantly redesigned aircraft now combines cutting-edge comfort with the world-renowned performance of the Global XRS platform, offering passengers an unparalleled travel experience.

The LX-ZIO has undergone a comprehensive interior featuring meticulously crafted cabin finishes, state-of-the-art amenities, and an enhanced in-flight environment tailored for both productivity and relaxation. Every detail of the refurbishment was executed to deliver a fresh, contemporary aesthetic while preserving the aircraft's hallmark performance and long-range capabilities.

Its interior, a perfect blend of practicality and luxury, comfortably accommodates 14 passengers, featuring a 1 single, 2 double beds, and 1 small single to ensure ultimate relaxation throughout the flight. The cabin offers a spacious and inviting environment, ideal for unwinding or conducting business. Its contemporary design showcases elegant materials and décor from the finest Italian brands, providing exceptional comfort and creating a truly relaxing atmosphere for all on board.

For entertainment, the LX-ZIO features a state-of-the-art multimedia system, delivering an immersive and versatile experience suited to all tastes—ensuring that every journey is both enjoyable and engaging.

"Fresh new look, same excellence" captures the essence of this transformation. The Global XRS LX-ZIO retains its celebrated reliability and power—now wrapped in a refined, modern cabin designed for today's most discerning travelers.

The aircraft is available immediately for charter, offering corporations, VIP travelers, and premium aviation clients an exceptional option for long-haul travel with unmatched style and efficiency.
